The PVB15 hydraulic pump (p/n 30-3141764) used on tractor models:

2-85	2-105	2-135	2-150
2-155	2-180	4-180	4-210

will be replaced with a PVE19 pump. The displacement of the new pump (p/n 79015826) has been altered to match the PVB15 pump. This change was necessary to insure the availability of a replacement pump and to provide you with a cost reduction.
